I just got to my bffs house to find a camera crew and all sorts of lights set up. I found her in her bedroom getting made up for a shoot. I agreed and it was a whole lotta fun!

WINNING!...

Coach Johnson was practically glowing with triumph after he led our college team to victory. Of course, all of us cheerleaders generally pair off with players after the game, but I was curious about the coach himself. He didn't get out on the field, but he was still a big, strong, physical man. And I thought he might know a few tricks boys my own age hadn't learned yet.

While the players and cheerleaders were swirling around trading hugs and high-fives, I passed the coach a note. He passed it back with the word "car" scrawled on it. Everyone knows the coach's car, and five minutes later we were driving off toward his bachelor pad. As soon as we were inside, I stripped off my uniform and kicked off my shoes. Coach had barely managed to unbutton his shirt by the time I was butt-naked. I pulled down his pants and kissed his dick, which was as big and hard as a fence post.

Moments later he was shoving his hard-on inside me. It always makes me feel all hot and happy to have a hot dick sliding inside me, but he was so confident and self-assured that he took my breath away. He was not only strong, he knew exactly what he wanted and did it without worrying that he'd break me. He pulled his dick almost all the way out and then drove it home with every stroke, pacing himself and obviously savoring the feel of my pussy.

I tried to pick up the pace, but I was pinned beneath him. My whole body wanted him to move faster and instead he was teasing me, working his dick around in little corkscrew motions that drove me wild.

I wanted to come so bad I thought I'd lose my mind, but Coach had practically stopped moving. He seemed to be savoring the feel of his dick buried in my quivering body. "Please fuck me hard," I finally begged.

Then he was pounding me like a pile-driver with an out-of-control generator. The teasing had set me up to come really hard, and my whole body shook as Coach pumped me faster and faster. Then he gasped and stiffened, and I felt him coming inside me. He rammed his dick hard into me and held it there while he spasmed, grunting several times as he looked down at me.

We stayed perfectly still like that until both our bodies had stopped throbbing and we'd calmed down. The he rolled over onto his back with a contented sigh. I straddled his chest and cupped my boobs. His dick had shrunk a bit but still seemed quite capable of action.

"You can straddle it if you want seconds. Be careful...though. It's real sensitive for a while after I come."

I slid down his body and slowly impaled myself on his dick. I felt it quiver inside me as it crept back to full hardness. I lay down against him, and his strong hands petted my butt. Coach wasn't as overdeveloped as his players, but his body was still all muscle. His chest was almost as hard against my boobs as his dick was inside me.

"All right, fuck me slow. I'll let you know when to pick up the pace."

I started by swiveling my hips, not even pumping my butt up and down all that much. Coach sighed happily. He massaged my butt firmly,

He pulled his dick almost all the way out and then drove it home with every stroke.

kneading my smooth cheeks. It felt wonderful along with the fullness of his dick inside me. His fingers found the little sensitive area between my butt and pussy and lightly stroked it, and that set me off like a live wire. I started humping him harder. His hands ran up my back, then slipped between our bodies to find my boobs.

I sat up. Now I could give him the pounding he'd given me when he was on top! He reached up and cupped my boobs, squeezing them gently and rolling my nipples between his strong fingers. Even in the middle of fucking, Coach is a man who knows how to use his hands.

"You got nice boobs," he said. "Perfect little handfuls."

"I like it when you do that."

"I know. The line is six points that you're gonna come again before I do."

"The what...? Oh." Coach was probably right; I could feel my body getting ready to let go again. Coach's busy hands had a lot to do with that. It felt like there were live wires between my hard little nips and my clitty button. I reached down between my legs with my own hand and rubbed myself as I continued to bounce up and down on his dick.

"Shameless girl. I like that."

"It feels so good...so good...." I was coming, collapsing across Coach's chest as my body spasmed deliciously out of control. Coach seized control, somehow rolling me over without slipping his dick out of me. He pounded me hard until he came too.

If victory always has this effect on Coach, I can hardly wait for the next game!

FONE FUN...

It sucks when you and your boyfriend are attending college on opposite coasts. I'm going to tell you the whole story. It all started the other day, when I was on the phone talking to my boyfriend, Ryan. Well, "talking" isn't the most accurate word for what we were doing. Actually, we were engaged in some amateur phone-fucking.

I was talking dirty to him: "Baby, I've got my mouth wrapped around the head of your cock, and I'm sucking it all the way in a good old-fashioned deep-throat job." While I was talking, I held the telephone receiver with one hand and pulled off my panties from beneath my skirt with the other. "Oh, yeah. You've just come in from practice, and you haven't had a shower yet, and I can taste the male hormones all churned up in your sweat."

Ryan got in on it then. He said, "I love the feel of that slick, wet mouth on my dick, but it just isn't enough." Even though I couldn't see what he was doing, I had a pretty good idea that he'd already snaked his rod through his unzipped fly. "I've got to get a taste of that honey-sweet pussy. While you're sucking on my meat, I'm using both hands to guide your hips over my face. We've got to 69, babe. That's the only way I can get everything I need to satisfy my hunger."

I stepped out of my panties and tucked the hem of my skirt into my waistband. My pussy was now conveniently bare in front. "Sixty-nine, oh yes, lover, that's the best. Rub that hot, sticky tongue of yours all over my muff. Every time it

swishes against my love button, I go off like a rocket.. I know I'm going to come any minute, so I'm sucking you even deeper and harder. I want to feel every inch of you inside me when I'm coming. I want to be wrapped around your cock so tight that I can feel the sticky stuff blast out."

He moaned softly, and so did I. It was my first orgasm, but I was sure it wouldn't be my only one. He wasn't quite coming yet. I could tell from the catch in his breath. "Yes, deeper, suck me deeper, baby," he groaned. "Do it, do it, while I'm eating you out. My tongue is going up, it's going down, it's going all around. Oh yes, oh fuck yes—" His words became broken, and I was satisfied that he was cumming along with me. Before I could ask, for sure, though, the door swung open, and my stupid-ass roommate came sashaying into the room!

Oh hell! She was supposed to be in class for at least two more hours! I expected a snicker or even a scream, but Jenny just blinked and then knelt on the floor in front of me. Before I could sputter out one word of explanation, she was snaking out her long, pink tongue and licking openly at the twitchy, throbbing slit of my recently orgasmed pussy.

"Jenny—!" I gasped.

"Jenny?" Ryan inquired. "You've never called me that before."

"No, I mean, oh god, Ryan! She's here, she just walked in early, and she's licking my pussy."

My roommate didn't even bother to look up as I described the situation to my boyfriend. I had no idea how long she'd been scheming to get her mouth on my pussy, but it was suddenly blazingly obvious that she was a muff-hungry bi. I couldn't really be too upset about it, though. Ryan had never licked at my clit with such pinpoint accuracy.

"Keep talking," Ryan whimpered. "I'm hard again. Tell me everything!"

"She's really into it," I panted. "She just homes in on my button and licks it up and down and from the sides. Now she's making crazy circles all around it, but not quite touching it. This muscle in my pelvis is starting to cramp, and it's really twitching like wild.

"Now she's using her chin to dig into my slit and massage me with her entire face. Fuck, Ryan! I'm already cumming again! Oh fuck! My knees are all wobbly, and I have to sit down on the floor!" I went down hard, almost dropping the telephone. As I rolled on my back with my legs wide open, my horny roommate kept her tongue firmly glued to my slit at all times. Her tongue swished around faster and farther, and then she brought her fingers into play as well.

"I can't stop cumming," I gasped into the phone. "Geez, Ryan, it just won't quit. My pussy just keeps squeezing and exploding.!"

I was aware that my description was pitifully inadequate, but he could better gauge my reactions by the way that I gasped, panted, and even shrieked into the receiver. Each time I thought I'd reached my orgasmic limit, Jenny proved me wrong by licking me to the next level. I came and came and came again, and soon Ryan did too.

"Damn, baby, I'm hosing down the walls!" he whimpered. "I've never sprayed so much cum!"

It was over an hour later before Jenny finally unglued her mouth from my pussy. Delicious! I'm still going to miss Ryan, but I'm not going to be so frustrated anymore!

who's in charge here?

janice

I never intended to be famous. I just started out to make a little money. You know, like a small, one girl business. Then all sorts of people started wanting more of me. I honed my business chops with all my clothes on and when it took time to expand, the clothes came off. I like to come across as the sweet and innocent girl next door, but I'm really just the sexy bitch that loves to get down and dirty on your cock and I do it with delight.

i've got my smile on

I love being in front of the camera. I've taken so many selfies of myself that I've used up all the memory on my phone. First it started out all innocent; selfies at parties, selfies at games,. Then I started taking selfies in my bedroom and little by little I've been taking pix with less and less clothes. Now I'm comfy in front of a lens and I've learned to let go.

tropical heat
bye-bye boyfriend

My live-in boyfriend, Jack, had been carrying on an e-mail relationship with another woman for a couple of months, and I'd had it! We had a big blowout the night before, and I was worn out! Tired of all the arguing, I decided to find an apartment. I'd made my decision; I was moving out!

I left work at noon to look for an apartment close to the office and drove to a complex nearby. Plentiful lush trees and luxuriant landscaping gave it an almost tropical look, although this is northern California. I'd always been curious about the place; its secludedness was intriguing.

I stopped by the Hawaiian Gardens' office but found no one in. It was lunchtime, I reasoned, so I might as well take a tour on my own, see if the complex was anything like I'd imagined.

Following a cobblestoned walkway, I rounded a corner and came upon a large, sparkling blue pool with a small fountain in the middle. Then I stopped in my tracks. A couple of tanned women were lying topless on chaise longues just a few feet away, partially hidden by the lush foliage. Not only were they lying quite close together, but it appeared they were holding hands! Then, to my surprise, the blonde leaned over and kissed the other! I started to backpedal but I tripped over my own feet. The women didn't seem startled but turned to look in amusement at my flaming red face when I finally stood up again, straightening my clothes.

"Hope we didn't scare you," said the lithe blonde with the impressively large tits.

Before I could open my mouth, the dark-haired one explained with a chuckle, "This is a very unique apartment complex. You might find anything going on here at any given time. No kids allowed, of course. Are you looking for someone in particular?"

A couple of weeks later, I moved into my new apartment. Yes, that woman had been right. I was looking for someone. Being so disgusted with my boyfriend, I was ready to switch sides and see how that worked out. Why limit yourself, I've always said. Well, this place was ripe for me! The new adventuress! It was a wonderful place and put me in a wonderful mood. A sexy, exciting mood. stopped unpacking to take a break around noon on my first day. I lay on my bed and fantasized. I was horny. Jack and I hadn't had sex in weeks. He didn't care anymore. He did ask me when I left where I was going, but I refused to answer. He soon gave up and said I could go to hell for all he cared.

The bedroom window was open, and I could hear the fronds outside brushing against the screen. It was a perfect, breezy afternoon, and I closed my eyes, imagining I was in the tropics, so easy to do with the fragrance of the profusion of hibiscus blossoms everywhere. I reached down and felt my cunt. I was damp. Sliding my shorts off, I spread my thighs wide. It was nice being alone, doing what I wanted, when I wanted. Lying there on the bare mattress, fingering my cunt, I felt decadent. Not knowing which box my vibrator was buried in, I had to resort to my fingers for pleasure.

I rocked my hips back and forth, working myself on my finger pressed to my slit. I slipped the finger inside and felt the wetness increase. Pulling my finger out, I began rubbing its slickness on my clit, making it stand up at attention. I circled and circled, getting it real hard. The tingling grew. Moans started escaping my lips as I imagined another girl doing this to me.

That seemed a definite possibility, living here. As far as I knew, this place was loaded with lesbians, gays, bis, and other free-spirited and open-minded people. Being single and open-minded, which I'd had to attest to in the application, I was allowed to rent here. The application form was quite different from any other I had ever filled out. Some of the questions might have been considered "forward." My thighs pulled back on their own, opening my cunt wider. Oh, yeah...the feeling was building. I massaged harder, felt myself stiffen and my cunt grow taut, the lips heavy and firm with the need to come.

And I was about to! Dipping my finger in and out, in and out, then rubbing my clitty firmly and repeatedly was beginning to work. I gasped and spasmed, my thighs flailing straight out.

"Oh!" I croaked out loud as my lower half jerked about five times from the self-induced pleasure. Finally I started to relax, and the warmth spread through me deliciously. "Ahhhh," I sighed. I was ready to resume unpacking. After spending the rest of the day unpacking the rest of the boxes, I decided to stop by the pool. I brazenly removed my top and settled in for a relaxing hour or so. It was only about 4:30. It felt wonderful to have the warm sunshine caressing my bare tits. I started getting a little aroused just thinking about what I had done earlier up in my bedroom. I felt so sexy topless in only a bright blue bikini bottom that matched my eyes. Suddenly I heard footsteps and opened my eyes behind my sunglasses. There was the blonde I'd met before. She was boldly checking me out. I stirred a little as though asleep.

"You're very pretty," she whispered. Then I heard her settle on the chaise longue next to me. I gulped quietly.

"My name's Shanna," she said, knowing I wasn't asleep. "Would you care to join me and my roommate and some friends for dinner tonight?"

I chose my nearly sheer lilac sundress for dinner and wore no panties. Assuming what was likely to happen that night, I figured I'd be better off without them. In fact, if it didn't happen, I would be disappointed. Locking my door behind me, I was off to a new adventure. xotic drinks flowed, and the BBQ chicken kabobs on the grill smelled delicious. There were several girls mingling about the spacious apartment. Shanna and her lover, Marilyn, were gracious hostesses. There were a few men there, but they appeared to be couples as well.

Soon I noticed that a girl with short, dark hair and wide brown eyes was checking me out. She was about my size; slender and average height, pretty and feminine, and that was fine with me. I returned her stare boldly and felt my cunt growing wet. Yes, I was ready for this night to begin. She walked up to me, extending her hand. "Hi, my name's Jennifer. Jen. And yours?" she sipped her pink Mai Tai. Her grip was firm. I held it for a moment longer than necessary. "Name's Candy. Just moved in. Tonight is my first night in my apartment." I sipped my drink and looked her in the eyes.

"Well, you must celebrate your first night. We

do that a lot here. Celebrate for all types of occasions." She smiled as if to let me know I was just that type of occasion. "Let's take a walk," she said and took my hand. I didn't want to be an ungrateful guest, leaving the party early, but Shanna gave me a knowing wave and a smile. Suddenly she said, "Hold it!" and went out to the patio, returning with a strong paper plate with two delicious-smelling kabobs. "Here, you two. You'll need this later for sustenance." She laughed.

We sat by the pool and nibbled our kabobs until they were gone. No words were spoken. Jen was licking her fingers clean and glanced over at me. I wanted to kiss her. Right then. My whole being changed in this heady atmosphere. As if reading my mind, Jennifer leaned over and kissed my lips gently. I returned the pressure, and her tongue slipped in to taste me. "Let's go to my place," she whispered. I didn't have to answer. We entered her apartment and headed straight to the bedroom after she dumped the paper plate in the kitchen. Stripping off our dresses, we both giggled when we realized neither of us had anything on underneath. We lay down on the bed and cuddled, kissed, and wrapped our legs about each other, pressing cunts together tightly, then rocked back and forth.

I said, "I have to tell you I haven't been with a woman before."

She shushed me with a finger to my lips. "You won't regret it," she replied with a smile playing about her lips. "It will come naturally. Why do you think you're so open to this?"

I couldn't answer. I couldn't say, "It's because I wanted to get away from my boyfriend. Revenge." No, I couldn't say why I was here, only that I wanted to be, and that was enough. She scooted down to take my pink nipple into her mouth, sucking firmly and playing with my other nipple. After a few moments, I was squirming for further action. I spread my thighs wide and bent my knees. I wanted her down there in the worst way! Jen started working her way down. Her tongue trailed over my taut skin, nearly burning me as my desire grew. She was electrifying me!

I held her head and ran my fingers through her soft hair as she went even lower. I thrust my hips up at her, waiting for the moment of truth. A woman's tongue right there! Right in my cunt! She kissed around my slit, kissing my inner thighs and the folds of my outer lips. I was so excited, a little gush of liquid found its way down my ass-crack, wetting the bed. Getting real close, Jen inspected my cunt, inserted her finger up to the first knuckle, and lightly fucked my hole. I gasped at the flame of pleasure she ignited. This was nothing like Jack. This was incredible!

Jen licked up one side of my inner lips and down the other, circling my whole cunt area. Then she flicked her tongue over my clit, and I knew this wasn't going to take long. Spreading my wet tissues flat with her fingers, she dragged her tongue over the entire sensitive area. Over and over again she did that until I was a quivering mass of nerves.

I couldn't hold back. My legs stiffened, and my hips gyrated. My cunt was reaching for her, craving each slurp of her magnificently talented tongue. I let out a little uninhibited scream as her loving assault kept on, riding the continuous wave until it finally subsided. I caught my breath and calmed down, and she crawled up next to me to lie down and hold me.

"Good?" she asked. "As good as men?"

"Men? Men? What are those?"

I returned the favor to Jen, and she was right—nature took its course, and I was a natural. I had her cumming once I got the hang of how much pressure and repetition I needed to get her clit into prime time. She tasted like salty candy, and I loved knowing I could give her so much pleasure. We had a drink to toast the evening's adventure, then decided to take a dip. We slipped outside naked in the moonlight to the pool. Jennifer stepped down the three steps, then did a breast stroke out to the middle.

I dove in head-first and came up next to her, shoving the hair out of my face. The water was warm and refreshing. "This is wonderful!" I exclaimed.She wrapped her legs about my waist and ground her cunt into mine. "Let's fuck again," she said, then kissed me fully on the lips.

We made our way to the deep end of the pool, to the diving board. I grabbed it and hung there, swaying my lower body toward her in the water. She gripped my hips and started licking my cunt.

I opened my legs wide and let her lick. Humping my hips, I gave up my cunt to her greedy tongue as she slathered it repeatedly across my tender clit. I was ready for another orgasm. I didn't notice the two guys until they got up from the chaise longue partially hidden by a tree.

Obviously they had been watching us, and now they began fucking too. I watched them go into one of the apartments, probably intending to go at it again. Knowing they had been watching only made it better as my orgasm started to hit me. There I was, hanging from the board with my thighs wildly spread and Jen's head bobbing between, causing me such delicious pleasure.

Oh! That was it! I came with a loud cry, not caring who heard me. My hips jerked hard, and Jen hung on tight until her tongue had lapped up every drop of my juices. We hugged and kissed, then swam to the side to recover.

"Did you ever do that before?" she asked swiping water from her face.

"Never. Get up there and sit on the side." She did. I got between her open thighs and started licking her. She bent her knees and dropped her thighs back as far as she could, and I lapped at her, prying her nether lips open with my fingers, trying to get inside her tunnel of love with my exploring tongue. I fucked her like that for a few minutes, then sucked on her clit until she came, biting into her wrist to stifle the screams.

I awoke in my bed with the sun filtering through the window. Stretching luxuriously, I felt wonderful. My thigh muscles were tender from being parted for so long. I giggled. What a night it had been! And I knew there would be many, many more. I had been so right in taking an apartment in this place. I got up and turned on the coffee machine, took my shower, and settled down at my computer for the morning's news and e-mails.

Oh! A message from Jack! He said he missed me terribly and wondered where I was living. Could he come see me?

Hmmmm, did I want to see him again? Did I still love him? Miss his touch? I wondered for at least three seconds.

Smiling as I sipped my hot coffee, I deleted him from my address book. I'd found my tropical paradise... and I sure didn't need him swinging down from the trees!

kenzie let's go shopping

Hi there, don't let this photo fool you, Sascha is taking me out shopping and felt like flashing the cash for the camera. I won't tell you what we bought but rest assured it was a little naughty thing. Okay, I'll give you a hint, it's pink, plastic and buzzes like a bee. If you need another hint, you need to get a girlfriend or a visit to an adult store. Oh by the way, I grabbed his cock by mistake. Why it was hard and pointing straight up, I don't know? I was just trying to put it back in his pants.

Despite her hip-hop name, Prinzzess is actually a demure Southern Belle who was born and raised in the Sunshine State. She's is a seasoned centerfold who enjoys long walks on the beach and eating pussy. "I'm really into girls," Prinzzess explains. "I mean, I like guys, too, but girls are so soft and curvy, and they smell really good, you know?" Oh, we know, Prinzzess. Girls are great at sucking cock, too. You'll have to trust us on that.
